

Handelsbanken Corporate Finance is recruiting off-cycle fall interns

We are looking to recruit off-cycle fall interns to join our Stockholm office. Applicants are to be available from either 13 August - 24 October (Period 1) or 25 October - 21 December 2018 (Period 2).

Applicants should possess high analytical capacity and be highly motivated, enthusiastic and demonstrate strong interpersonal and communication skills. Applicants should be team players and results-driven and be able to perform well under pressure and tight deadlines. We expect a strong academic track record as well as fluency in Swedish and English.

If you are ready to be challenged and have a strong interest in corporate finance, we can offer you a steep learning curve and a dynamic and team-driven working environment. Your role as an intern in the Corporate Finance team will include market and company analysis, financial valuation and modeling and providing support for your team in live deals and pitches.

About Corporate Finance at Handelsbanken Capital Markets

As a leading corporate finance player in the Nordic region, we provide qualified advisory services for the most demanding clients and efficient project management and coordination of complex transactions.

The team consists of approximately 55 professionals based in the Nordic capitals Stockholm, Copenhagen, Oslo and Helsinki. Corporate Finance in Stockholm advises many of the largest Swedish companies as well as medium-sized companies and private equity funds. We also advise international companies or private equity funds contemplating transactions in Sweden. Handelsbanken Corporate Finance has executed a range of landmark transactions in the last few years, which has positioned the team as one of the leading advisors in Sweden within Mergers & Acquisitions (M&A) and Equity Capital Markets (ECM).

HOW TO APPLY

Please submit your application in English including resume, cover letter, university and upper secondary school grade transcripts to: careers@handelsbanken.se. Please specify if you have a preference for either of the two periods.

Last day to apply for the fall internship:
4 March 2018
