

**Are you curious to learn about strategy consulting?
Would you like to get a feel for how consultants solve
problems in real-life client cases? Are you interested
in developing your case solving skills?**

**WE WARMLY WELCOME YOU TO
'CRACK A CASE' WITH AUGUST 2.4.2019**

During the evening you will **get concrete tools to develop your problem structuring and solving skills** in a workshop facilitated by August consultants. You will also get an instant chance to **apply these tools by cracking a recent real-life business problem** with sparring support, and **learn some useful tips and tricks on how to prepare you for an interview**. Later on, over food and beverages, you will have a good opportunity to get to know our consultants.

The number of participants is limited, so act fast!
