

How to get a job from an investment bank? Welcome to IB interview preparation

Nordea Corporate & Investment Banking warmly welcomes you to take part in Investment Banking interview preparations at our office premises in Vallila

The event includes insightful IB interview preparations with our Investment Bankers from Advisory and Debt Capital Markets.

We start with introductions to investment banking operations and IB interview process, after which, we continue with a case example done in groups together with our professionals.

After the official part, the evening continues with snacks, drinks and casual discussions.

Looking forward to seeing you!
