## BCG Women's Case Interview Training September 25, 2019, 5:00 pm

We at The Boston Consulting Group believe in diversity and equality. Because women continue to face distinct external and internal barriers to success in business, we are committed to providing vital early support. That's why we offer a Case Interview Training session for women considering applying to top-tier management consultancy positions (as interns or full-time employees).

Our goal is to offer female students and young professionals a relaxed and encouraging environment in which to prepare for case interviews. This is a unique opportunity to practice cases, ask questions about the recruiting process, and get feedback to help you master case interviews. You will also have a chance to connect with our recruiters and consultants during dinner following the training session.

Join us for Case Interview Training on **Wednesday, September 25 at 5:00 pm**. The event will take place at our Helsinki office, followed by dinner at Nude, where you will have a chance to hear inspiring stories and explore how you can grow with BCG.

Female university students (undergraduate, Master's, or PhD) from all fields of study, and young professionals are welcome to apply. To do so, please submit your CV and a transcript of your academic records at [on.bcg.com/womensinterviewtraining19](https://on.bcg.com/womensinterviewtraining19) by latest **Sunday, September 15**.

Please note, places are limited. We will confirm your attendance by Wednesday, September 18. If you have any questions, please contact [recruiting.hel@bcg.com](mailto:recruiting.hel@bcg.com).

We look forward to meeting you!

Best regards,  
BCG Helsinki team
