

Analyst internship at MCF Corporate Finance

Overview of MCF Corporate Finance – We invest in relationships

MCF Corporate Finance is a leading independent and international corporate finance and M&A advisory firm with offices in Hamburg, Helsinki, London and Stockholm. We specialize in cross-border M&A transactions in Europe and together with our strategic partner D.A. Davidson Investment Banking, we work for origination and execution of transatlantic M&A. We have an excellent track record with more than 500 references in structuring and executing M&A transactions for large multi-national corporates, leading mid-sized companies and numerous private equity investors, both on the sell-side and the buy-side.

MCF Corporate Finance Helsinki is offering four-month internship positions for spring, summer and autumn 2020. We are looking for ambitious, hard-working, and talented individuals with over 120 ECTS at a top university or business school.

What we offer

- Exposure to live international M&A transactions in a wide range of industries
- Strong involvement in projects and current mandates with a high level of responsibility from early on
- Diverse tasks ranging from company and market analysis, financial modeling, and due diligence exercises
- Steep learning curve, excellent opportunities for personal development, and a dynamic team environment

What we are looking for

- Strong analytical and interpersonal skills as well as an excellent academic record
- Fluency in English and Finnish (other languages are considered as a plus)
- Ambition and ability to deliver high quality work under tight deadlines
- A person comfortable with working closely with both junior and senior team members
